In Govt Memo no. 80466/50-3 Edn
(H/1.1) d. 28.9.50 the Govt directed the Ml. High School Hospet to defer the proposal to adopt Govt Scales of pay for the teachers in the Ml. High School till it was able to balance its budget. The Comr. Hospet Mlty has now come forward with the proposal to adopt Govt Scales of pay for the teachers in the Ml. High School with effect from 1.6.51. Apparently the financial position of the Ml. has improved so as to be able to meet the Routine extra cost (Rs 3.09/- p.a immediate and Rs 1643/- p.a ultimate) from its own funds.

The remarks of the F.A Dept may be invited in the first instance.

In view of the note on the top file it is for consideration whether the mnl. cl. Hospet also should be permitted to adopt Govt. scales of pay for the teachers in the mnl. High School. The financial position of this mnl. cl. is also unsatisfactory.

~~The file may be submitted to H.M (Edn) & H.M (L.A) for orders.~~

In this case also orders may issue as in the case of the Chingle [illegible] dealt with in the top file

Please see the note of Edn Dept ov.pd above. The financial position of the Hospet Mcl is not satisfactory. If the Cl is allowed to increase its commitments, Govt will have to pay a grant towards the deficit. If no grant is given and the cl is asked to pay its teachers at increased rates, the Cl will find it difficult to meet the monthly pay bills. Edn may be requested to let finance see the case.

The proposal dealt with in this file is analogous to the one discussed in the top file. Here also the m.l.c. proposes to adopt Govt. scales. The extra cost should be met from the m.l.c. from its own funds. L.A. kept have stated on the p3c/n inability of the m.l. finances to meet the extra cost. It appears that the proposal should be vetoed on the authority of the L.A. kept note.
